

# Creating your look while finding your inner beauty.

(Camp is appropriate kids for entering 4th-8th grade.)

## DAY 1 - HAIR CARE

Want to learn how to tame the unruly or shape the unshapely? Become your own hair expert learning the best hairstyles for your face shape, the best ways to wash, dry and style your hair. Learn to use the "tools of the trade".

## DAY 2 - NAIL CARE

Have the best looking nails ever as you learn to shape them and care for your cuticles. Of course choose polish that suits your individual style!

## DAY 3 - SKIN CARE

Your skin will be glowing as we help determine your skin type and teach you the basics to proper washing techniques including exfoliation and moisturization.

## DAY 4 - MAKE-UP

Get ready for your make-over. Learn what colors look best with your skin tone and how to apply in a natural way.

## DAY 5 - FASHION

Develop your personal style and learn how to accessorize to make your outfit pop!

Throughout the week we will give you tools to build self confidence.
